Feedback Analysis

The following analysis of feedback formulated by NAAC aims at introspecting the entire process of college administration. The College sincerely work to make reforms suggested by the students so that the college would get the true feedback in order to fulfill the need of the students. This analysis of feedback is given below.

Format No - I This format covers the overall performance of the college departments, Library as well as computer facilities. This format covers sixteen questions among which seventy three percent were favorable for the college, eighty two percent were favorable for the departments and seventy seven percent on the side of the college facilities. The percentage as shown above is according to the total questions made for all units. The overall analysis shows that the performance of all units is satisfactory. But still more attention is required for improvement so that the college reaches the goal. However the format was filled by seventy two percent students in the college.

The committee found that in question no 5 the student have given good performance to near about seventy six percent of the faculty member. The campus experience of the students was satisfactory. The facilities provided by the college were given a favorable side and opinion about the course was to introduce the short term facilitates them.

Format No - II Feedback format from parent is collected during parent teacher association meet which is held on 20/07/2017. The objective of conducting the meet was to inform the parents about admission process, teaching methods, curricular actives and extracurricular activities of the college, analysis of university result, facilities and support services, library facilities, progress of their wards and difficulties of their wards.

Format No - III Feedback from the alumni is taken orally regarding the overall the development of the college. Several alumni visited the college during the session. Various curricular, extracurricular issues are discussed with them and their recommendations and suggestions are subsequently discussed in IQAC meeting.
